

Welcome

The Providence Senior High Band Boosters welcomes all volunteers and we look forward to having you join us!

The following describes the committees and the many volunteer opportunities. To get involved, just call the person in charge of the area that interests you, and we will be glad to put you to work! Also, feel free to contact any of our officers if you have questions about, or suggestions for our organization.

We look forward to working with you to make this a GREAT YEAR for our band students!

Pit Crew - Helps with loading, unloading, and setup of Marching Band pit instruments. Also helps transport instruments to/from away games, competitions and festivals.

Color Guard Moms - Assist guard with preparations for events and represents the color guard within the Booster organization.

Uniforms - Assists with fitting, mending, or modifying uniforms as needed. Help with distribution of uniforms to and from students before and after games and competitions.

Chaperones - Supervise and assist students during football games and other trips. Ride buses with students to and from away events.

Publicity - Ensures that the school and the general community are informed about events involving the band. We place articles in local newspapers and neighborhood publications when possible.

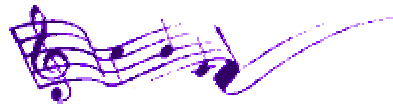

Video - Prepares video of all Band and Color Guard events throughout the year. Video is made available for purchase at the end of the

year. It is a great way to relive the fun of the band year!

Web site/Photography - Maintain the band web site. Post new information and update as needed. Take pictures of the band to be included on the site.

Membership - Track membership payments for the booster organization and help to recruit members.

Auction - A major fundraiser, held in early spring. Volunteers solicit donations of a vast array of items. The items are posted on a website and sold to the highest bidders; a few items are held back and sold at a live auction during the spring concert.

Providence Cup – The first Saturday in October Providence hosts a marching band competition. Many volunteers are needed to make this a success so all families are expected to help for at least 1 shift.

Bandwear - Coordinate the sale of various styles of T-shirts and sweatshirts to students, band parents and friends of the band. Help maintain inventory of t-shirts.

Car washes - Students vacuum, wash, and dry cars. Parents provide use of hoses, vacuums, and rags, drinks/baked goods for bake sale, and also supervise students. Several Saturdays in fall and spring in front of school, event is contingent upon water restrictions.

Fruit Sale – All band students sell boxes of citrus fruit and nuts to family and friends. Prizes are awarded to top sellers.

Eighth grade coordinator – Works with Band directors from PHS and middle schools

to coordinate getting middle school students to come see what high school band is all about. There will be 2 events, 1 during football season and 1 in the spring.

Officers for 2008-2009

President Chris Trainor
(704) 708-8363
